ORIGIN:

On 12/05/17 at about 0800 hours, I was in full Sheriff's uniform, working with the Metropolitan Transit System Joint Agency Task Force at 745 H St in the City of Chula Vista (CAD #E4607581).

INVESTIGATION:

I was at the H St Transit Center platform with a metropolitan transit system card reader checking traveler's transit passes when I came in contact with a White male adult (later identified as John Brewster). Brewster was riding his bicycle on MTS property which is a violation of ORD 13.4 (I) MTDB. I stood in front of Brewster about 25 feet away from him. I yelled at him, "Stop Sheriff's Department", as Brewster continued to ride towards me. I noticed Brewster began to pedal faster towards me with no attempt to stop. I again yelled "stop" but Brewster continued to ride towards me. I had to move out of the way in order to avoid getting hit by Brewster's bicycle. When I shuffled to right Brewster attempted to get away, I tackled Brewster and we both ended on the ground. San Diego Police Officer Bunch was standing on the left of me and assisted in placing Brewster in handcuffs. I told Brewster he was being detained for riding his bike on MTS property. If I hadn't tackled Brewster he would have ran me over with his bicycle and would have gotten away. When I placed the handcuffs on Brewster I did a quick pat down on Brewster's lower back area. I noticed a cylindrical object sticking out of Brewster's back right pocket. The object looked like a blunt object about a foot long. I removed the object and noticed it was a billy club made of metal, with a flashlight at the end. The billy club handle was narrow and it widen as it went up, similar to a small baseball bat. When I assisted Brewster off the ground I saw a glass smoking pipe with burnt residue fall out of Brewster's front shirt pocket.

Based on the totality of the circumstances I arrested Brewster for 148(a) (1) HS - Resisting Arrest, 22210 PC - Possession of a billy club and 11364 HS - Possession of Drug Paraphernalia. A search incident to arrest I located a used syringe inside Brewster's front left pocket.

Brewster was processed at the scene. Once Brewster was processed, I transported to San Diego Central Jail. While at jail Brewster complained of pain on his right ankle, detention nurses rejected Brewster for a possible ankle fracture. I transported Brewster to Scripps Mercy Hospital. While at the Hospital it was confirmed Brewster had a small fracture on his right ankle. Brewster was treated at the hospital and cleared. I transported Brewster back to San Diego Central Jail where he was booked for 148(a) (1) HS - Resisting Arrest, 22210 PC - Possession of a billy club and 11364 HS - Possession of Drug Paraphernalia at 1517 hours. I photographed Brewster's injuries.

Later at the Imperial Beach station I downloaded the photos onto a CD. I placed the CD, billy club and paraphernalia into evidence.

I concluded my investigation.
